

MPSC 2021 Annual Patient Safety Conference
Healing Our Healers: Organizational solutions for safety and wellbeing
VIRTUAL
April 29, 2021

This educational activity is jointly provided by AXIS Medical Education and MPSC

Overview: In its 17th year, the conference will focus on providing education and strategies to support healthcare professionals in your organization to prevent or mitigate work-related secondary trauma exposure and compassion fatigue that may impact patient safety.

Target Audience: This activity would most likely appeal to those with interest in and/or the activity's content would best apply to the following fields: Nursing, Pharmacy, Physician, Social Work, Respiratory Therapy, Quality, Patient Safety, Risk Management, and other healthcare providers
