

MPSC 2023 Annual Patient Safety Conference

Health Equity and Patient Safety: Facing the challenge. Making the change.

Baltimore Hilton

March 31, 2023

This educational activity is jointly provided by MPSC and Trinity Health

Overview: In its 19th year, the conference will focus on identifying the challenge of providing health care equity and providing education and change strategies to support healthcare professionals in your organization to face the health equity issues that exist in healthcare among workers and organizational systems.

Target Audience: This activity will most likely appeal to those with interest in and/or the activity's content and would best apply to the following fields: Nursing, Pharmacy, Physician, Social Work, Respiratory Therapy, Quality, Patient Safety, Risk Management, and other healthcare providers
