

2024 Annual Medication Safety Conference

November 15, 2024
12:00 – 4:30 p.m.

LIVE VIRTUAL EVENT

REGISTRATION LINK: <https://marylandpatientsafety.org/medicationsafetyconf/>

OBJECTIVES

- Discuss innovative strategies and key collaborations necessary to improve workflows and address gaps in medication safety.
- Describe how to optimize your technology, including computerized clinical decision support, to prevent medication errors and adverse drug events.
- Discuss recent significant medication safety issues reported to ISMP and related error prevention and mitigation strategies.
