

Count the Kicks

IMPLEMENTATION WEBINAR

Join us for an insightful webinar on best practices in implementing the "Count the Kicks" program, a proven initiative aimed at improving birth outcomes by encouraging expectant mothers to monitor fetal movement. This session will guide you through the essential steps of successfully integrating the program into your organization or community.

We'll cover everything from raising awareness and training healthcare professionals to distributing toolkits and collecting vital data. Additionally, participants will receive an editable standard workplan, designed to help streamline the implementation process and tailor the program to your specific needs.

Whether you're a healthcare provider, community leader, or advocate for maternal and child health, this webinar will equip you with the tools and knowledge necessary to make a meaningful impact. Don't miss this opportunity to enhance your efforts in promoting healthy pregnancies and reducing the risk of stillbirth.
